

Welcome to our Chinese club!

你好，中国

CLUB DESCRIPTION:

This after school program is designed for elementary school students who have no prior knowledge of the Chinese language. By listening and speaking with native teachers, students will learn vocabulary, pronunciation, and develop basic conversation skills. They will also participate in fun cultural activities such as calligraphy, paper-cutting, singing, and painting.

CLUB OBJECTIVES:

Students will learn basic greetings and how to ask about times, dates, and addresses. Students will also be able to introduce themselves, their friends, and their family members as well as engage in basic conversation with classmates.

Please sign up early as seats are limited.

Sponsored by Confucius Institute at Southern Utah University
