CARE ABOUT CHILDCARE – Five County

BECOME A FAMILY CHILD CARE PROVIDER IN UTAH.

As a Care About Childcare program, we are eager to help you explore all the possibilities and opportunities completely free of charge. We will give you guidance, answer your questions, provide a mentor to help you get started, and assist you with valuable training. We provide a lending library of child care books and materials. We will help you start off on a sound business footing and refer families in need of care to you as soon as you become licensed.
